CENTRIQ CELEBRATES 4 YEARS OF INSURANCE EXCELLENCE

Centriq Insurance celebrated four years of insurance innovation at its annual client function held at the famous Kyalami Grand Prix Circuit in Midrand recently.

Clients and employees, dressed in biker and racing gear, took time out from the rat race to become part of a “real” race, complete with BMW 330i race cars, stunt bikes, gorgeous pit babes and all.

Professional drivers from BMW Driving Academy raced excited guests around the track while three of South Africa’s best stunt bikers from XS Promotions stunned guests with an exhilarating performance.

Congratulations to Michael Simpson from R Cubed and Nicky Eveleigh from Aquarius who won the “Best dressed male racer” and “Best dressed female racer” awards.
