

Centriq Insurance would like to congratulate the winners of their annual Golf Day held at Randpark Golf Club on 23 November.

Andrew Love of STS Brokers was the winner of the day with Pieter van Vuuren of Sasol in second place. Cellsure's Miranda Reede, the only lady golfer of the day, came in third.

The lucky four ball was awarded a place in the PG 'Glass Ball' Invitational Golf Challenge to be held in November 2011. They were Tich Chidikwindi of Marsh, Geoff Leatham of Guy Carpenter, Paul Turner of Aon and Steve Smith Flagstone Re.

The runners up of the PG Glass Lumar Window Film prize were Joe de Klerk of Cellsure, Michael Simpson of R Cubed, Ryck Genis of Willis, and Mark Stone of Centriq.

In true Centriq spirit, winners donated their winnings to a charity organisation of choice.
